Security Council member 2013-2014

Working tirelessly to lead the international community to security nirvana through:

- ▶ Undermining the NPT
- ▶ Ignoring Action 1 of the 2010 Action Plan
- ▶ Relying on nuclear weapons, with no plans to change
- ▶ Disingenuously criticizing a ban on nuclear weapons
- ▶ Pious hypocrisy, insincerity & misrepresentation
- ▶ Supporting nuclear disarmament, just as soon as it has happened

A world free of nuclear weapons – just not yet
