“As a **responsible** Nuclear Weapons State we are **committed** to the long-term goal of a world without nuclear weapons and we recognise our obligations under all three of the pillars of the Treaty on the non-proliferation of Nuclear Weapons.”

Matthew Rowland, UK Ambassador, addressing the First Committee of the UN General Assembly on 5 October 2016

“Britain’s nuclear deterrent is an insurance policy we simply cannot do without. To abandon our ultimate safeguard ... would be a reckless gamble with the safety and security of families in Britain that we must **never** be prepared to take ... It would be an act of gross **irresponsibility.**”

Theresa May, UK Prime Minister, speaking in Parliament on 18 July 2016
